

Adaaran Select Hudhuranfushi Maldives 7 Night Package

Maldives (All)

Description Adaaran Select Hudhuranfushi Maldives 7 Night Package 4*, Maldives (All)

Adaaran Select Hudhuran Fushi, one of the larger resort islands in the Maldives, has enough space for a soccer field, over 200 guest rooms and an impressive range of facilities.

The island's coastline offers a bit of everything. Snorkellers can take advantage of a fabulous house reef just off the beach whilst the placid blue lagoon is perfect for swimming. The south end of the island has one of the best surf breaks in the Maldives (seasonal). In fact, guests can surf on consistently good waves, just a few feet from their guest rooms, although surfers do need to pre-book their surf packages.

The resort vibe is casual, with many people walking around barefoot. The liveliest area of the resort is definitely the swimming pool and adjacent bar. The premium all-inclusive plan includes a multitude of outlets, allowing for a varied dining experience, all accompanied by spectacular views. Guests staying a minimum of 6 nights receive a complimentary sunset dolphin watching cruise and a snorkelling safari.

Adaaran Select Hudhuran Fushi is accessible by 30-minute speedboat transfer.
